OUR AIMS

To be able to become the right solution to current and unforeseen problems and needs in the Landscaping, gardening and cleaning services industries.

To be able to grow and supply high quality plants to meet the demands of our clientele.

OUR SERVICES

1. GARDENING AND CLEANING SERVICES

At Matkessy Gardens we shifted from the traditional 'Garden maintenance' approach to the 'Garden service' approach. We always aim to improve gardens and keep them at their **highest standard**. At Matkessy Gardens we give our clientele **free technical advice** regarding plants; all needs for **optimum growth** and **appearance**. Our team of highly qualified and motivated employees ensure that the **best service** is provided. We do:

Lawn mowing, Trimming & pruning of plants, **Cultivation** of flower beds, **Weeding, Watering**, Application of **fertilizers** and **manure...**

2. IRRIGATION DESIGNING AND INSTALLATION

Irrigation is one of the most **critical** component in landscaping. We do **irrigation designs** and **installations** for **manual** and **automatic** systems for both **overhead** and **drip**.

3. DECKING

4. PRODUCTION AND SUPPLY OF ORNAMENTAL PLANTS, HERBS AND VEGETABLE SEEDLINGS

5. LANDSCAPING

We offer detailed, ecologically sound residential and commercial landscape designs, installations and maintenance services. We do:

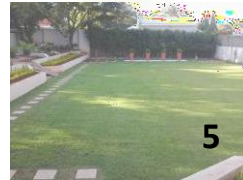

Landscape designs (plans & 3D images), **Water fountains, Kooi ponds, Pools, Pot Plants, Indoor plants, Cobble landscaping, Irrigation, Decking...**

6. INSTANT LAWN SUPPLY AND INSTALLATION

Instant lawn: We supply instant lawn of all types; Kikuyu, LM, All Seasons Evergreen, Tiff Sport, Cynodon, Shade over, Artificial turf among others. We use both **seeds** and **sods**. We have a very strong record of establishing highly stable lawn stands that are weed free.

Lawn dressing: We supply quality lawn dressing. Our Lawn dressing is prepared in such a way that it contains balanced mineral salts that make the grass lash with the ability to recover after every cutting
